We are pleased to host our 2nd in a series of Lunch & Learn Programs in 2018.

Not every business has tens of thousands of dollars to spend on advertising. If you have a limited budget, these seven techniques will get traffic through your door at minimal or no cost to you.

Local businesses, entrepreneurs and organizations are invited to join us for a Lunch & Learn program and networking opportunity in Downtown Ortonville at Brandon Twp. Public Library.

Join us and continue to build your plan to grow your business in 2018.

In his own words...

I am an entrepreneur just like you. I started working at the ripe age of seven in 1973 when my grandfather paid me 10 cents an hour to put price tags on boxes. I honed my entrepreneurial skills running the largest independent toy store in America from 1993 through December 2016, while also starting a weekly radio show, monthly magazine, and successful speaking career during those years. Now I put on my cape and fight for you, bringing you the lessons I learned from decades of running a small business.
