We are pleased to host our 3rd in a series of Lunch & Learn Programs in 2018.

Do you have legal questions related to your business? Do you ask yourself things like: What do I need to know about employment law? What legal entity should I use? What is an operating agreement and do I need one? Do I need copyright protection? What do I have to do to register my business? What about taxes? Local attorney Robert Dewitt will walk you through these legal questions and more!

Sponsored by The Gault Team-Real Estate One & The Ortonville DDA. Join us May 2 for an overview of the most common legal issues facing small businesses.
